

Welcome, bienvenue, welcome, to the one-world of Hectoring Hegemons!

**“None are more hopelessly enslaved than those who falsely
believe they are free”**

**“In short, the ‘house of world order’ will have to be built from the
bottom up, rather than from the top down. It will look like a great
‘booming, buzzing confusion’ to use William James’ famous
description of reality, but an end run around national sovereignty,
eroding it piece by piece will accomplish much more than the old-
fashioned frontal assault.”**

Dear friends and visitors to Project Humanbeingsfirst,

We often tend to mainly preach to the choir, share controversial ideas with mainly those whom we generally tend to agree with, make alliances with those who are generally sympathetic to our causes, and take the path of least resistance in our quests like how water always flows downstream. But the path of searching for new truths, the path of inquiry into what is unfamiliar, the path of change against prevailing wisdom, is not that of a water flow. It is rather fraught with natural resistance, always uphill against the forces of entrenched gravity.

No new idea to the human mind is ever easily acceptable. Anything which is against our presuppositions, preconceptions, ingrained world views, comfort zones, beliefs, even vested interests, is always like a new idea! According to Schopenhauer, all new and uncomfortable ideas, **“truths”**, go through three natural stages: **“First, it is ridiculed. Second, it is violently opposed. Third, it is accepted as being self-evident.”**

In the One-world Government now in the making under the manufactured pretexts of catastrophic terrorism and other fabricated global threats – mainly to the life, liberty, and the pursuit of happiness of the *ubermenschen* – ex post facto, what I have researched and penned in Project Humanbeingsfirst will be accepted as being self-evident.

Welcome, bienvenue, welcome, to the one-world of Hectoring Hegemons!

Today, when such awareness among the world's public can mean the derailing of the global police-superstate before its twisted fait accompli, some very learned and intelligent looking peoples ridicule it; while other gallant and pious looking peoples variously blame man's afflictions that are diabolically inching the world towards Global Governance, on *Islamic fascism*, on *ET's malevolence*, on *Allah's wrath*, or patiently await their *Messiah* happy-happy in hope and voluntary servitude.

Soon, the harbingers of the world superstate, *the brotherhood of death*, will violently oppose those who oppose its inhumanity.

In a few short years, its official chroniclers, *the sages*, will deem world government under the control of the enlightened few as having been inevitable. The direct consequence of man's foibles and overpopulation. And **the only rational way to govern mothership earth as a planetary scale natural wildlife preserve with selective breeding and population control of its most virulent species.**

Under this ongoing construction of tortuous reality, one that is an entirely empirical orchestration of future history, to remain a silent bystander; to join forces with the *ubermenschen* and manufacture consent for their self-ascribed primacy imperatives; or to manufacture dissent as red herrings by pretending to oppose the barbarianism of hegemony while still echoing its core axioms; **is to be an ACCOMPLICE in cold-blooded murder.**

Yes, even though ***“all murderers are punished unless they kill in large numbers and to the sound of trumpets”***, it is still being accomplice to monumental crimes against humanity howsoever it is syntactically sugared.

I endeavor my very best to avoid being an accomplice. I also endeavor in my ordinary plebeian's state to not succumb to the many enticements and coercion of might's aphorisms du jour: ***“deception is a state of mind and the mind of the state”***, and ***“some are sheep while others are wolves, we are the wolves”***.

As Martin Luther King Jr. had so soulfully iterated four decades earlier during the height of the Vietnam War:

“In international conflicts the truth is hard to come by, because most nations are deceived about themselves. Rationalizations and the incessant search for scapegoats, are the psychological cataracts that

blind us to our sins. But the day has passed for our superficial patriotism. He who lives with untruth lives in spiritual slavery. Freedom is still the bonus we receive for knowing the truth. *'Yee shall know the truth', says Jesus, 'and the truth shall set you free.'*"

For, surely, none are more hopelessly enslaved in perpetual war than those who are falsely led to believe they do so for peace!

To silently spectate a boot stamped on the human face in perpetuity, while being taught to love it in voluntary servitude, is outright criminal in this day and age.

Indeed, in MLK's echo of Dante:

"the hottest places in hell are reserved for those who in a period of moral crisis, maintain their neutrality."

But more existentially, today's silent spectators will be tomorrow's *'untermenschen'*.

It is an indescribable travesty of modernity that the words of Martin Luther King Jr. ring in as much pertinence today as when he sermonized them in 1967 at the Ebenezer Baptist Church. Despite our high-tech modernity of the *technetronic era*, we stand exactly at the same spot:

"There comes a time when silence, is betrayal. The truth of these words is beyond doubt. But the mission to which they call us is a most difficult one. Even when pressed by the demands of inner truth, men do not easily assume the task of opposing their government's policy, especially in time of war. Nor does the human spirit move without great difficulty, against all the apathy of conformist thought within one's own bosom, and then the surrounding world. ... Some of us who have already begun to break the silence of the night, have found that the calling to speak, is often a vocation of agony. But we must speak. We must speak with all the humility that is appropriate to our limited vision, but we must speak."

And spoken, I have.

Veritably, the price of silence is to be a willing accomplice!

But the price of inefficacy in mindless public protestations and shouting matches that are no

more than a “*focus group*”, and pretenses at seeking justice while leaving the hidden-in-plainsight prime-movers untouched and unmentioned – free to enact more of the same vile repeatedly with newer generations of errand boys and girls – **is to be directly complicit in extending the suffering of the 'untermenschen'!**

Modernity is epitomized by multiple simultaneous Hegelian Dialectic, and the bold fabrication of consent and dissent that supports it. The best way to lead the masses is to restrict the range of opinions available to them. The best way to control the opposition is to become its prized and visible leaders, with suitably awarded titles and awards (or demonizations) to lend credibility. Thus is born the Master Social Science. It manufactures and choreographs the dialectics of deception as in any WWF wrestling: manufactured dissent among the rebels to complement the manufactured consent among the masses. Both retain all core-axioms of 'empire' intact!

The difference between their modus operandi is often that for consent, the empire is projected as good. For dissent, the empire is projected as bad. But the same external enemy is retained, and variously re-incarnated either as “*jihadis*” and “*Militant Islam*” (consent), or “*revolutionaries*” and “*blowback*” (dissent). Neither manufacturers will noticeably ever extend their brilliance, or their pursuits of scholarly justice, to unraveling covert-ops and 'inside job' while its impact is still on-going. Nor will they ever apply their touted acumen and lofty credentials to the forensic analysis of overarching agendas; never mind indicting the hierarchy of real prime-movers behind those agendas!

To both manufacturers of “truths”, there is never any overarching conspiracy, never any orchestration of history, never any behind the scenes conspirators.

This moral perversion and intellectual bankruptcy of empire's minions would be of no concern of international law, and moral law, except that it is a combined exercise in doctrinal warfare to implant the “***high degree of doctrinal motivation, intellectual commitment, and patriotic gratification***” in the perpetual service of “***imperial mobilization***”.

All these acts of social engineering, both of omission and commission, directly extend the oppression of the *primates* upon the 'untermensch'.

But, as Socrates might have put it (in Edith Hamilton's rendering):

'Agree with me if I seem to you to speak the truth; or, if not, withstand me

Welcome, bienvenue, welcome, to the one-world of Hectoring Hegemons!

might and main that I may not deceive you as well as myself in my desire, and like the bee leave my sting in you before I die. And now let us proceed.'

If you join me in echoing the one and only real obvious truth of the matter peeled off its 1000 surrounding lies, we can at least die, hopefully only our natural death without special rendition, fighting as human beings first, rather than live in infamy as worse than animals – eating, and shitting, sleeping, and dreaming, and then repeat.

Has that existential-state changed a whole lot for very many? First it was the pursuit of the 'American Dream' ; now it is the pursuit of how to end the 'American Nightmare'. But for what purpose? Apparently, so most can get back to their 'American Dream'!

Verily, six feet under, the maggots can't tell the bloody difference among any of us: the victims, the silent spectators, the conniving fools, the gullible patsies, and the murdersome hectoring hegemony choreographing its Primacy Imperatives for a One-world government. But, if, there is more to us than simply being an advanced amoeba subject to Social Darwinianism of the atheistic few, perhaps the soul extractor can!

While that is never sufficient to deter the 'ubermensch' of any jungle, it is sufficient motivation for their victims to rise up and fightback. Breaking the silence is only its first step!

Not only does existential imperative rationally demands it, but spiritual destiny requires it of any 'wretched of the earth'!

And this is how all 'wretched of the earth' standup...

Do you hear the people sing? Say, do you hear the distant drums?

Will you join in our 'crusade'?

Who will be strong and stand with me?

Somewhere beyond the barricade, is there a world you long to see?

If you share that empathy, and the quest for unraveling all of *“truth's protective layers”*, then, welcome, to a life of *maladjustment* in the world of hectoring hegemons. As Martin Luther King Jr. had once again aptly captured the honesty of purpose of moral human beings:

“There are some things in our society and some things in our world,

Welcome, bienvenue, welcome, to the one-world of Hectoring Hegemons!

which I am proud to be maladjusted. And I call upon all men of goodwill to be maladjusted to these things until the good society is realized.”

Thank you.

Respectfully,

Zahir Ebrahim
